KNOWLEDGE EXCHANGE PLATFORMS

SPONSORS SEMINARS

Exclusive seminar sessions presented by sponsors of WETEX 2024 to explore insights, unveiling innovations and strategies from industry leaders.

Date: 1-3 October 2024

Location: Arena 1, DWTC

SUSTAINABILITY SEMINARS

They serve as a pivotal forum, uniting leading experts and innovators in renewable energy and sustainable practices. Through insightful discussions and innovative revelations, they propel the mission for a greener, more sustainable future.

Date: 1-3 October 2024

Location: Hall 2, DWTC

FUTURE ENERGY LANDSCAPE FORUM

Launching for the first time, the Future Energy Education Platform at the WETEX exhibition will serve as a pioneering initiative, uniting industry experts from the oil and gas sector. This platform aims to facilitate discussions on cutting-edge trends and technologies driving the energy transition away from fossil fuels, aligning with the vision of a green economy.

Date: 1-3 October 2024

Location: Za'abeel Hall 3, DWTC

KNOWLEDGE EXCHANGE PLATFORMS

ENERGY & SRM PLATFORM

The primary goals of these seminars are to engage with SME members in collaboration with SME management, facilitate joint knowledge exchange meetings with suppliers and relevant departments, and encourage suppliers to showcase innovative products and services, as well as share insights on the People of Determination (POD) initiative and sustainable practices.

Date: 1-3 October 2024

Location: Sheikh Maktoum Hall, DWTC

WATER PLATFORM

Leading organisations and companies showcasing a strong focus on the latest innovations and technologies of the water sector will share their expertise with the audience.

Date: 1-3 October 2024

Location: Hall 8, DWTC

GREEN MOBILITY ZONE

Experience the future of sustainable transport at WETEX new Green Mobility Zone. Bringing together automotive industry leaders, this innovative space aims to foster collaboration, showcase cutting-edge technologies in electric vehicles, and drive discussions on eco-friendly practices. Join us to explore, connect, and accelerate towards a cleaner automotive future.

Date: 1-3 October 2024

Location: Sheikh Maktoum Hall, DWTC

WETEX LEADERSHIP ROUNDTABLE

The Leadership Roundtable will host a series of exclusive, closed door strategic roundtables, by invitation only and exclusively attended by CEOs and C-level executives.

The roundtables will address the challenges and opportunities facing the industry, especially on how leaders are positioning and taking actions to address the climate challenge, driving growth over the next decade.

Date: 1-3 October 2024

Location: Hall 1, DWTC

PERSONALISED B2B & B2G PROGRAMME

Our personalised B2B & B2G Programme is a bespoke platform of strategic engagement, fostering targeted business interactions between industry leaders, enterprises, and government entities.

Curated meetings and discussions create pathways for innovative partnerships, paving the way for mutually beneficial collaborations that amplify sustainable initiatives and drive the energy sector's growth trajectory.

GALA DINNER

An exclusive ceremony to celebrate the success of WETEX 2024, which would not have been possible without its valued partners and supporters, the gala dinner evening celebrates the contribution of sponsors on the international platform by being recognised by HE MD and CEO of DEWA, Founder and Chairman of WETEX.

Date: 2 October 2024

Time: 7:00 PM - 10:00 PM

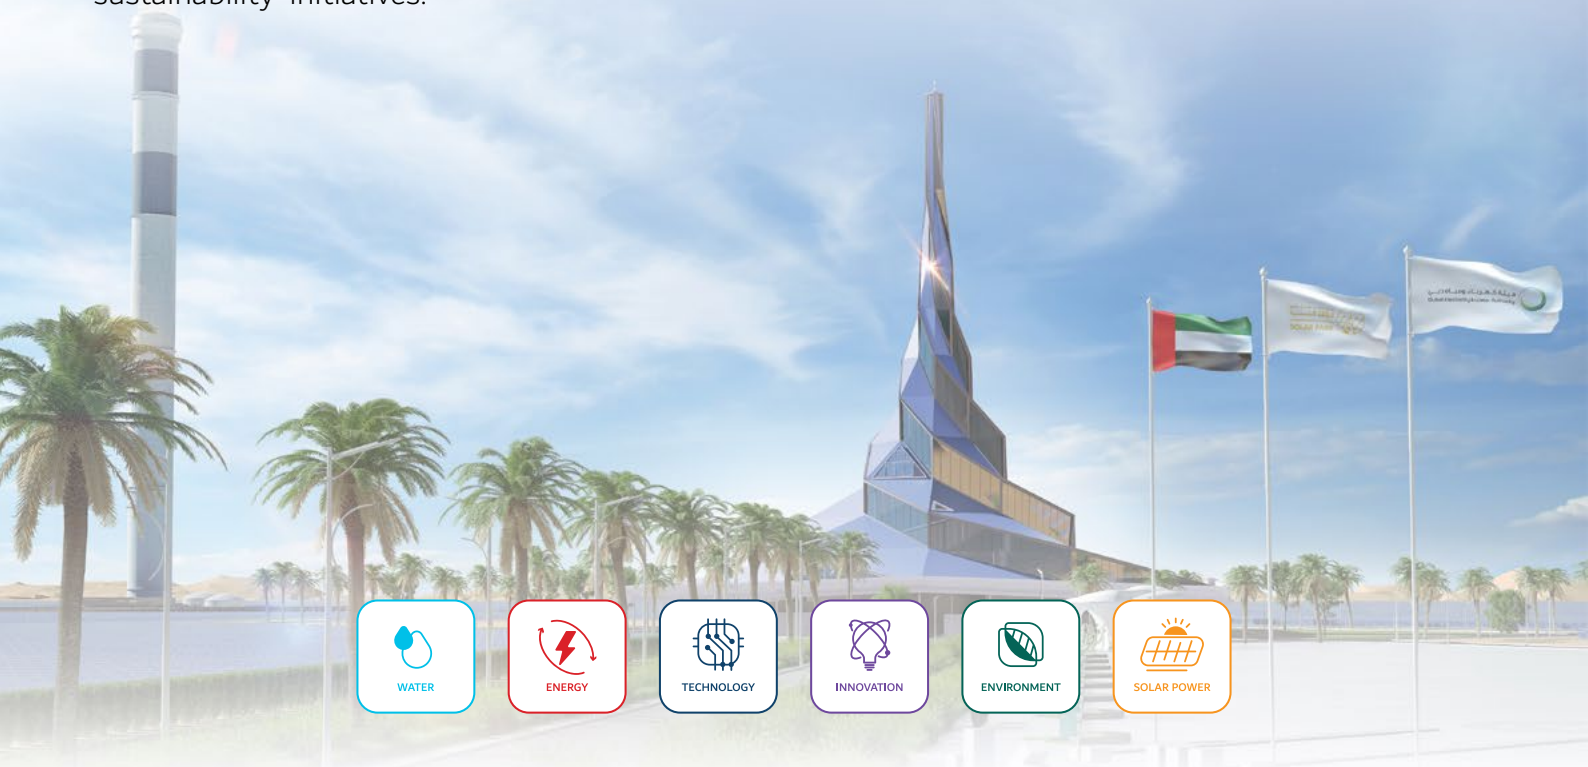

Location: Za'abeel Hall 6, DWTC
(by invite only)

SUSTAINABLE TOURS

DEWA's Sustainability & Innovation Centre at the Mohammed bin Rashid Al Maktoum Solar Park is a pioneering global hub for renewable and clean energy innovation.

The Sustainability & Innovation Centre works with local and global universities, organisations, and start-ups. It is an educational platform that hosts events, conferences, seminars, and workshops. The Centre provides visitors with an opportunity to explore the latest innovations in clean energy technologies. It houses an auditorium for events, conferences, and solar power training, renewable energy, and sustainability initiatives.

القمة العالمية للاقتصاد الأخضر
WORLD GREEN ECONOMY SUMMIT

EMPOWERING GLOBAL ACTION: UNLOCKING OPPORTUNITIES AND ADVANCING PROGRESS

Under the patronage of HH Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, the World Green Economy Summit (WGES) is organised by Dubai Electricity & Water Authority, the Dubai Supreme Council of Energy and the World Green Economy Organisation.

The 10th WGES is one of the leading global forums on the green economy. It brings together world-class experts in critical sectors worldwide to directly focus on advancing the global green economy and sustainability agenda, achieving the UN Sustainable Development Goals.

WGES is the premier international platform to drive dialogue and action amongst industry stakeholders, and build partnerships and collaboration by connecting creative minds across different sectors. The Summit showcases innovative solutions and leading practices to inspire change, and aims to align stakeholders with policymakers to create a facilitative environment and ecosystem for sustainable green growth that addresses current and future needs.

Location: Sheikh Rashid Hall, Dubai World Trade Centre

Date: 2 - 3 October 2024
